

CONSERVATION WALKS

These permissive bridledways link up with public rights of way to give horseriders, cyclists and walkers a variety of off-road and circular routes. The grassy areas on the farm are being managed as wildlife havens, so please keep to the waymarked routes. Dogs should be kept under close control and out of the cropped areas.

➔ Entry/exit point

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends in September 2009. For more information contact DEFRA: 020 7238 6907 (Office hours).
